

# Looking for refresh ideas? *New flooring* will greet your customers and uplift your brand!

When businesses look to make changes to their facilities, a quick refresh project can often deliver the biggest impact for a fraction of the cost of a major fit-out. Cennox undertakes light-touch projects that rejuvenates our client's spaces. Cennox undertakes light-touch projects that rejuvenate spaces. New flooring is one such example.

Our teams can design and install new wood, tile, carpet or laminate flooring that improves the ambiance of the space, enhance brand impact and customer experience, by delivering a high impact improvement to your locations.

Looking for inspiration? Speak to Cennox's Projects Division and start your journey today!

## Customized flooring solutions

A new floor doesn't need to be just one colour carpet or laminate rolled out across a space. Flooring can mix materials, create spaces, and introduce colour to reflect brand and ambiance.

Our teams work with customers to design the flooring systems that is right for their business. It's also our teams who will procure and install the chosen flooring to ensure the project is completed to the designs specified and selected by the client.

## Design service available

Cennox can help customers to visualize the products that suit their brand and spaces by utilizing the latest 3D design software.

## Why choose Cennox?

We are trusted by the world's leading businesses to support their infrastructure change programs. Our nationwide footprint and wide in-house capabilities offer customers an attractive one supplier solution to undertake all of their technology, security and facility installation and management needs.
