

The DepositPro Device

— THE L^{YN}CSAFE PORTFOLIO | LD60N

The **DepositPro** Device is a cash deposit retail safe with a capacity of 1200 or 2200 banknotes and available with Single Note Feeder or Bunch Note Feeder options. This device validates and counts the deposited money and operates with real-time monitoring, ensuring every transaction is recorded and visible in our cloudbased platform. For added capability, the **DespositPro Sidecar** can be added as a dropsafe for loose coins.
