

## Gary Trim Safes

### MS1104/1107 Trim Safes

Gary trim safes are ideal for cash based businesses. Their compact size allows for installation near cash registers to permit frequent cash drops, limiting your exposure to robbery.

### Key Lock

The key lock on this trim safe protects the contents from theft. Two keys are provided with the MS1104/1107 trim safe.

#### WARRANTY

If a mechanical or operable part of a Gary Safe malfunctions or breaks down during normal use, Cennox will, at our option, repair or replace such part free for one full year from the date of purchase.

#### FINISH

Black.
