

# HYOSUNG MV400

Easy, fast and secure card issuance machine MoniValue400 provides operational efficiency and better customer experience.

MV400 is an intelligent and powerful card issuing kiosk, delivering a fast, secure and personalized card issuing service. MV400 offers proven reliability, easy operation and less maintenance.

## Features

---

### IMPROVED PRODUCTIVITY IN BRANCH

The reliable and powerful MoniValue400 enables maximum branch productivity by shortening the customer queue for card issuance while reducing costs.

### MINIMUM MAINTENANCE NEEDS

Greater serviceability in system configuration makes diagnosis and repair easy; and high reliability lowers maintenance needs and costs.

### HIGHER CUSTOMER SATISFACTION

Versatile printing (e.g. monochrome or full colored, dual-side) satisfies diverse customer preferences. It personalizes customer service with the edge-to-edge card issuance.

# HYOSUNG MV400

## Specifications
