

The Deposit**Mini**

THE LINCSAFE PORTFOLIO

The **Deposit**Mini**** is a small intelligent deposit safe which is easy to install at the cash register. With a capacity to hold 600 notes, this safe validates and counts the deposited money with real-time monitoring and every transaction recorded. The **Deposit**Mini**** provides onsite or cloud reporting options.

Key Benefits

- Low cost entry solution to cash management
- Compact undercounter design for smaller retailers and locations with limited space
- Automates cash counting and tracking, reducing errors and shrinkage
- Eliminates the need for cash handling by employees
- Provides real-time cash flow insights for cash-in-transit or banking needs
- Improved cash security while lowering operational costs
- Same day provisional credit options available
- Single note reader
- 600 banknote capacity
- Touchscreen for access
- Electronic lock
- Encrypted transactions
- View transactions via our web portal
