

# The DepositPro

## THE LINCSAFE PORTFOLIO

The **DepositPro** is a cash deposit retail safe with a capacity of 1200 or 2200 banknotes and available with single note feeder or bunch note feeder options. This device validates and counts the deposited money and operates with real-time monitoring, ensuring every transaction is recorded and visible in our cloud-based platform. For added capability, a sidecar can be added as a drop safe for loose coins.

### Key Benefits

- Cost attractive intelligent cash management solution
- Compact undercounter design for small to medium sized retailers and locations with limited spaces
- Automates cash counting and tracking, reducing errors and shrinkage
- Eliminates the need for cash handling by employees
- Provides real-time cash flow insights for cash-in-transit or banking needs
- Improved cash security while lowering operational costs
- Same day provisional credit options available
