

The LincstationPlus

THE LINCSAFE PORTFOLIO

The **LincstationPlus** is designed specifically to sit within the self-service area. A front-office POS kiosk offering retailers the ability to provide note and coin payments alongside card only devices. The **LincstationPlus** is a CIT friendly solution which automates the entire cash management process, counting, sorting, and storing the notes and coins, making the whole cash process quick, efficient and secure.

Key Benefits

- Provides enhanced payment flexibility for your customers
- Eliminates the need for cash handling by employees
- Automates cash counting and tracking, reducing errors and shrinkage
- Provides real-time cash flow insights for cash-in-transit or banking needs
- Improved cash security while lowering operational costs
- Fully customizable branding for seamless integration within your self-service POS terminals
