

# The LincstationPro

---

## THE L<sup>INC</sup>SAFE PORTFOLIO

The **LincstationPro** is a compact front-office POS recycler designed to remove staff handling cash at the POS. When integrated with your POS, the **LincstationPro** will automatically handle all of your cash transactions, minimizing your staff time on cash handling and reducing errors. This enables the **LincstationPro** to manage the whole cash process quickly, efficiently and securely.

### Key Benefits

- Customer facing cash payment and dispensing terminal
- Free standing payment device
- Provides customer payment choice
- Automates cash counting and tracking, reducing errors and shrinkage
- Eliminates the need for cash handling by employees
- Provides real-time cash flow insights for cash-in-transit or banking needs
- Improved cash security while lowering operational costs
- Same day provisional credit options available
