

The Lincstation.

THE LINCSAFE PORTFOLIO

The **Lincstation.** is an automated, intelligent, and closed cash drawer that accepts and dispenses cash. The recycler checks and counts your money and is monitored online through a web portal which reports all transactions. There are various recycling options for notes as well as for coins, or a combination of both.

Key Benefits

- Customer facing cash payment and dispensing terminal
- Free standing or built into the retail counter
- Provides customer payment choice
- Automates cash counting and tracking, reducing errors and shrinkage
- Eliminates the need for cash handling by employees
- Provides real-time cash flow insights for cash-in-transit or banking needs
- Improved cash security while lowering operational costs
- Same day provisional credit options available
